## The basic offer for the wedding couple

### Transportation / Routings

On your 2nd day on this tour, our driver / guide will pick you up at your hotel in Zurich for the transfer to the town hall, where the legal part of your wedding will be accomplished. The 3rd day, the transfer to the mountain resort, you will be touring on a most scenic route through the eastern part of Switzerland (the pre-alps).

The day of your church celebration is **day 4**. Our driver / guide will pick you up at the hotel for transferring to the church. For the **5th day**, the transfer back to Zurich, we have chosen another scenic drive along the Rhine gorge (the Swiss Grand Canyon) and cresting up to the high alpine „Oberalppass“. A stop in Lucerne will allow you to explore this lovely city and enjoy dinner.

### Town Hall

The **Town Hall** was built in 1672/73 by the master builder Heinrich Gassmann. The dominant showpiece of the hall is the octagonal tower kiln built in 1673 by Hans Heinrich Graf (1635 - 1696) with faience paintings by Heinrich Pfau (1642 - 1719), a well-known kiln painter from Winterthur.

### Church

In 831 the church was first mentioned. The walls of the nave date from this period. This first structure, a flat-roofed nave with a semicircular apse, was completed in the 12th century by the Romanesque tower. An impending decay was prevented from 1909 to 1911 by an exterior renovation. During the subsequent interior renovation in 1913 and 1914, the former gallery and pulpit were removed and the 14th century murals were restored. During the last restoration from 1991 to 1993, the original grey-white version of the net ribbed vault was restored.
